# Achievements

In just over two years we have conquered many firsts among various domains in history of deglutology in India.

## ECHO Dysphagia

Saturday learning through virtual capacity building program has completed its 36th session since a year of its inception in September, 2021.

## Masterclasses

Completed 4 masterclasses surpassing 50 hours in total of learning within the disciplines of dysphagia and voice with over 200 participation and 30 experts from interdisciplinary fields.

## Webinars

The realm of webinars conducted have ranged from core healthcare to technological advances in medical devices with over 1000 participants. Our team members have contributed to more than 50 webinars across the country on fundamental and clinically transferrable skills in Medical Speech Language Pathology.

## Certificate Programs

Organized India's first VitalStim + certification program. We have been conducting two certification programs in core domains of dysphagia. Our team members have flourished as either coordinators or faculties of fellowship programs in Dysphagia Rehabilitation.
