

INTERNATIONAL DYSPHAGIA CONCLAVE 2025

SCIENTIFIC PAPER PRESENTATIONS - SCHEDULE

PLATFORM PRESENTATIONS – ORIGINAL						
DATE	DAY	TIME	PRESENTATION ORDER	ABSTRACT ID	TITLE	PRESENTER NAME
31-Oct-2025	DAY 2	8 – 9 AM	1	IDC2025_02	Functional Recovery Of Oral Intake In Acute Traumatic Brain Injury	Priyanka Thuvassery
			2	IDC2025_04	Acute Effects Of Repetitive Peripheral Magnetic Stimulation On Swallowing Muscles: An Surface Electromyography (Semg) Study In Healthy Adults	Shilpa Pandit
			3	IDC2025_06	Dysphagia Care In The Context Of Neuropalliative Home-Based Care	Arshida VP
			4	IDC2025_19	Comparative Analysis Of Narrow Band Imaging And White Light In FEES For Detection Of Aspiration	Kumareswar T. V
			5	IDC2025_26	Evaluating The Efficacy Of Neuromuscular Electrical Stimulation In Dysphagia Rehabilitation In Guillain-Barré Syndrome: A Pilot Quasi-Experimental Study	Divya Rana
			6	IDC2025_45	Profiling Feeding Patterns And Practices Among 6–12-Month-Old Infants – A Cross-Sectional Study	Sharon Mizpah Prathana Charan
01-Nov-2025	DAY 3	8 – 9 AM	1	IDC2025_17	Acoustic Analysis Of Swallow Sound In Young Children Across Different Food Consistencies	Neha Yadav
			2	IDC2025_12	Clinical Protocol In MND Patients For Selection Of NG/PEG Feed:- A Retrospective Observational Study	Bhaskar Dey
			3	IDC2025_25	A Real-Time Analysis Of Feeding And Muscle Activity: An Experimental Study Exploring The Influence Of Digital Distractions On Swallowing Muscle Activity	Serah John
			4	IDC2025_32	A Comparative Study Of Bedside Swallowing Examination And Barium Swallow Study In Confirming Silent Aspiration Among Patients With Dysphagia	Steniya J
			5	IDC2025_35	Correlation Between Laryngeal Mucosal Inflammation And Laryngopharyngeal Sensitivity In Smokers And Non-Smokers: A FEES-Based Comparative Study	Sarah Spencer
			6	IDC2025_38	Taste In Trouble: Taste Perception In Individuals With Oral Cancer, Stroke, And The Elderly	Appas Saha

INTERNATIONAL DYSPHAGIA CONCLAVE 2025

SCIENTIFIC PAPER PRESENTATIONS - SCHEDULE

PLATFORM PRESENTATIONS – QIP AND INNOVATIONS						
DATE	DAY	TIME	PRESENTATION ORDER	ABSTRACT ID	TITLE	PRESENTER NAME
01-Nov-2025	DAY 3	12 – 1 PM	1	IDC2025_15	Empowering NICU Nurses Through Structured Feeding Training: Improving Outcomes In Neonates With Dysphagia – A Quasi-Experimental Study	Divya Rana
			2	IDC2025_50	When AI Learns To Care: Indian's First Dysphagia Avatar By Karpuram Govathi Nikhila	Karpuram Govathi Nikhila
			3	IDC2025_52	Integrated Excellence In Deglutology: Evidence-Based, Transdisciplinary, Patient-Centred Swallowing Care Across Lifespan Through Clinical Innovation, Research, And Student Training	Aarathi Waknis
			4	IDC2025_54	Clean Care, Safe Air: Standardizing Tracheostomy Hygiene	Shilpa Pandit
			5	IDC2025_62	Enhancing Tracheostomy Patient Care: A Quality Improvement Project On Nurse-SLP Collaboration	Susmita
			6	IDC2025_51	Bridging Gaps In Dysphagia Care: Integrated Dysphagia Solutions, An Innovation In Assessment, Rehabilitation, Dysphagia Care, Training, And Technology For Holistic Management In India	Karpuram Govathi Nikhila

INTERNATIONAL DYSPHAGIA CONCLAVE 2025

SCIENTIFIC PAPER PRESENTATIONS - SCHEDULE

POSTER PRESENTATIONS – ORIGINAL AND SURVEY					
DATE	DAY	TIME	ABSTRACT ID	TITLE	PRESENTER NAME
30-Oct-2025	DAY 1	2 – 3 PM	IDC2025_03	Knowledge And Skills Related To Developmentally Supportive Feeding Practices For Preterm Infants Among Neonatal Nurses: A Pre-Post-Training Study	Dhivya Sarratha Ramamoorthy
			IDC2025_08	Choked By Copper: A Retrospective Dive Into Dysphagia In Wilson's Disease Using FDA-2	Bency AC
			IDC2025_20	Development Of A Feeding And Swallowing Screening Test For Indian Children (0-2 Years): A Modified Delphi Study	Priya Kapoor
			IDC2025_28	Are Objective Assessments In Dysphagia Truly Objective? - A Cross-Sectional Survey	Naima Zehra
			IDC2025_42	Outcomes Of A Training Program On International Dysphagia Diet Standardisation Initiative (IDDSI) Among Individuals Specializing In Dysphagia	Velvizhi Somasundaram
			IDC2025_44	From Symptom To Referral: Assessing Healthcare Professionals' Referral Practices For Pediatric Dysphagia-A Cross-Sectional Survey	Bhargavi Galagali
			IDC2025_46	Impact Of Prophylactic Swallowing Therapy On Quality Of Life During And After Chemo-Radiation Therapy In Head And Neck Cancer: A Prospective Study	Harshitha Jain K S
			IDC2025_49	Beyond The Hype: Evaluating The Role Of LLLT In Managing Chemo/Radiation Induced Oral Mucositis	Dhara Ponda
			IDC2025_53	Post-Onset Duration And Dysphagia Symptoms In Individuals With Parkinson's Disease: A Cross-Sectional Analysis	Hariram Rajeev Menon
			IDC2025_60	Development And Validation Of Mealtime Experience Questionnaire For Dysphagia Patients	Mahima Evelyn J
31-Oct-2025	DAY 2	2 – 3 PM	IDC2025_14	Development And Field Testing Of Feeding Difficulty Index For Children (0–2 Years): A Quasi-Experimental Study	Anamika A P
			IDC2025_24	Validation Of The Impact Of Feeding On The Family And Parent Scale In Kannada – Preliminary Findings From A Field Study (A Quasi-Experimental Study)	Smitha Preesha Dsouza
			IDC2025_29	Exploring Dysphagia Characteristics In Patients With Respiratory Distress Disorders	Neha Yadav

INTERNATIONAL DYSPHAGIA CONCLAVE 2025

SCIENTIFIC PAPER PRESENTATIONS - SCHEDULE

			IDC2025_31	Development Of Taste, Texture, And Temperature Preference Questionnaire For Individuals With Oro-Dysphagia	K N Sriram
			IDC2025_41	Oral Sensory Processing Differences And Feeding Outcomes In Indian Toddlers: Baby-Led Weaning Vs Spoon-Feeding	Shreya Srinivasan
			IDC2025_55	Secretion Pooling In Smokers With Xerostomia: Clinical Insights From FEES Based Study	Naveen Prabhu
			IDC2025_57	Revision And Validation Of Lactation, Feeding, And Swallowing Assessment Protocol For Neonates And Infants.	Gayathri R
			IDC2025_58	Effect Of Different Liquid Consistencies On Sequential Swallowing Abilities In Healthy Young Adults: A IDDSI Compliant Cross-Sectional Pilot Study	Thalika CA
			IDC2025_59	Psychosocial Aspects Of Dysphagia Among Caregivers Of Individuals With Dysphagia: Preliminary Findings	Anna Anamika
			IDC2025_61	Effect Of Temperature On Taste Identification And Spice Tolerance In Head And Neck Cancer Patients	Aditi S
			IDC2025_63	Validation Of The Subjective Swallow Safety Scoring System For Aspirations Risk Assessments	Reena Arul

INTERNATIONAL DYSPHAGIA CONCLAVE 2025

SCIENTIFIC PAPER PRESENTATIONS - SCHEDULE

POSTER PRESENTATIONS – CASE REPORTS					
DATE	DAY	TIME	ABSTRACT ID	TITLE	PRESENTER NAME
30-Oct-2025	Day 1	2 – 3 PM	IDC2025_01	The Role Of Injection Laryngoplasty In Post Cortical Stroke UVFP And Dysphagia Outcomes: Case Report.	K Rhea Devaiah
			IDC2025_05	Neurogenic Sequelae Of Carotid Body Tumor Excision: A Rare Presentation Of Tapia Syndrome	Koina Chandrakar
			IDC2025_09	When Swallowing Slows: A Case Study Of Dysphagia In A Patient With Multiple Sclerosis	Aashral Surana
			IDC2025_21	Case Report: Progressive Recovery From Oropharyngeal Dysphagia In An Elderly Female Post-Chronic Ischemic Brain Changes – A Multimodal Swallowing Rehabilitation Approach	Ananya Mennon
			IDC2025_22	Patient-Centered Dysphagia Rehabilitation In Guillain-Barre Syndrome: A Case Report	Tanvi Madaiah
			IDC2025_27	Post-Operative Dysphagia Management In A Toddler With Posterior Fossa Ependymoma & Congenital Hypothyroidism	Naima Zehra
			IDC2025_34	Therapy Adherence Determines Swallowing Outcomes In Head And Neck Cancer: A Two-Case Series	Harshitha Jain K S
			IDC2025_40	Antiphospholipid Syndrome Induced Brainstem Stroke In Adolescent: A Rare Case Report	Navya Kesav
			IDC2025_47	Clinical Insights Into Dysphagia In Multiple System Atrophy: A Case Report	Dharamkar Santosh
			IDC2025_48	The Silent Struggle And The Guiding Light: LLLT For Radiation-Induced Trismus	Dhara Ponda
			IDC2025_56	Effect Of Vitalstim Therapy In The Rehabilitation Of Dysphagia Following Acoustic Schwannoma Surgery: A Case Report	Ansha Rahim
31-Oct-2025	Day 2	2 – 3 PM	IDC2025_07	Oral Sensorimotor Integration Therapy For Bruxism In Autism Spectrum Disorder: A Case Report	Neha Yadav
			IDC2025_10	From Misdiagnosis To Multimodal Management: A Case Of Apraxia Of Speech With Oropharyngeal Dysphagia	Laveena Wadhwani
			IDC2025_13	Swallow - Lsv: A Tele Rehabilitation Program For Presbyphagia – A Case Series	Subburaja G

INTERNATIONAL DYSPHAGIA CONCLAVE 2025

SCIENTIFIC PAPER PRESENTATIONS - SCHEDULE

			IDC2025_16	Neuromodulation Of Swallowing Networks Using NMES Post Medullary Stroke: A Case Series Exploration	Vishnupriya Lambe
			IDC2025_18	Intervention Trajectories In LMS: A Clinical Perspective	Avani C. Thole
			IDC2025_23	Effectiveness Of Chin-Tuck Against Resistance For Improving Swallowing Function Post-Medullary Infarct: A Case Series	Riman Ray
			IDC2025_33	The Role Of Speech-Language Pathologists In A Progressive Parkinson's Disease: A Case Study	Hetal Parekh
			IDC2025_36	Tiny Bites, Big Battles- Navigating Sensory Feeding Challenges In Children"- A Case Study	Navya S
			IDC2025_43	Avoidant Restrictive Food Intake Disorder (ARFID) In An Adult: Assessment And Management Of Feeding And Swallowing	Priyanka Srikumar
