

## **International Dysphagia Conclave (IDC) - 2024, Jaipur**

**THEME: “ELEVATING DEGLUTOLOGY CARE THROUGH PATIENT CENTRIC INNOVATIONS”**

### **Guidelines for Research Paper Submission**

**Greetings from SLP QUEST,**

Here is the first look of the guidelines for the research paper submission for International Dysphagia Conclave 2024.

1. The scientific papers on “theme of the conclave”, “feeding” and “swallowing” related research are invited.
2. Original research, Survey based studies, and Case studies/Case series are invited categories for submission.
3. The abstract must be an original research work carried out by the authors themselves. Review of literature or compiling of work done by others will be accepted.
4. If the research submitted is presented priory, a mention of same needs to be disclosed in the abstract submitted.
5. The registration is mandatory for presenting author of conference.
6. The communication regarding submitted scientific paper will be communicated to the presenting author only (presenting author aka corresponding author).
7. Ph.D. scholars, PG students are encouraged to present their thesis/dissertation work.
8. There is no limit to the number of submissions for an author. However, logistics of presentation if selected shall be kept in mind.
9. No changes will be made once the submission is made (change of presenting authors, addition of authors at a later date, change of title and alike).

#### **Abstract submission guidelines**

1. The total word count should be a maximum of 500 words.
2. The structured abstracts must include clearly defined sections like: Title, Author details (name and affiliation), Background with need of the study, Objectives, Method, Results, Discussion & Conclusion (bibliography optional).
3. Provide a minimum of 4 keywords for your submitted research.
4. The font and size of the submitted abstract must be in Times New Roman and 12, respectively.
5. The document submitted must be in .doc or .docx format only.
6. The deadline for submission of abstract is 30 April, 2024.
7. **The abstract must be submitted to [jaipurconclave@gmail.com](mailto:jaipurconclave@gmail.com) with the subject “Research submission – IDC2024”.**
8. **After submitting the abstract, it is mandatory to register your abstract to on the google form link.**

#### **Research Categories**

1. The research papers submitted will be categorised as “PLATFORM” or “POSTER” based on peer review process of abstract.

2. The parameters that are considered for decision of category shall be original research, survey and case study in the order decreasing priority. For instance, original research has a higher chance of being assigned to the platform section.
3. The Submitted research will be peer reviewed and assessed on *a) Adhering to submission guidelines, b) Relevance, c) Novelty, d) Significance, e) Content, f) clarity.*

### **Award Categories**

1. **Best Platform Awards**
2. **Best Poster Awards**
3. **Theme Based Awards-** “ELEVATING DEGLUTOLOGY CARE THROUGH PATIENT CENTRIC INNOVATIONS”.
4. **Institute for Research Award**

The selected research assessed on *a) Adhering to submission guidelines, b) Relevance, c) Novelty, d) Significance, e) Content, f) clarity, and e) platform or poster presentations for conferring an award.*

### **Timeline and Queries**

1. The preparation guidelines for “PLATFORM” or “POSTER” presentation will be provided post abstract selection.
2. For updates on all the events and timeline, please visit [www.slpquest.com/jaipur](http://www.slpquest.com/jaipur).
3. If you may have any query, you may reach out to the organizing team.
